Case Officer Statement

Site Location:	Application Number:	Case Officer
Charlton Hayes [H1, H2a & H2b]	PT18/0268/RM	Kayleigh Dando

1. From your understanding of the site, do you agree with the delivery forecast that the developer has sent through?

YES	x
NO	

1. Is there any other information about constraints etc. you're aware of that may affect delivery rates on this site?

This approved reserved matters application forms part of outline application PT03/3143/O (Charlton Hayes). All parcels which form part of this outline are now subject to detailed consent. There are no known issues which would prevent delivery in accordance with the forecast which the developer has provided, therefore this site is considered deliverable within five years and there is no reason to think that this will not be achievable.

I declare the information supplied in this document to be true and accurate to the best of my knowledge
