Case Officer Statement

Site Location:	Application Number:	Case Officer
Parcel 2 – REMAINDER Emersons Green	P19/6786/RM (formerly PK13/2648/RM)	Helen Ainsley

1. From your understanding of the site, do you agree with the delivery forecast that the developer has sent through?

YES	✓
NO	

2. Is there any other information about constraints etc. you're aware of that may affect delivery rates on this site?

All but 19 of the previously approved 86 units have been constructed. A new RM application for this small area has recently been submitted. I consider that this will be built out within the next 5 years as there are no constraints and Taylor Wimpey are still building out on other parts of the wider site.

I declare the information supplied in this document to be true and accurate to the best of my knowledge
