Question 4 – Completions to date and future anticipated completions

a) Our site visits up to April 2019, recorded completions in monitoring year 2018/2019 (our monitoring year runs April to April)

- As of April 2019, 80 units were yet to be completed on the site. **[LW NOTE – the outline planning permission and RM consent approves 85 units on site]**

- If you consider that the number of units to be completed is different, please can you confirm how many units are yet to be completed & any reason for the difference in numbers:

Number of units to be completed	85
Rationale for any difference between SGC 2019 figure and your stated figure	The SGC 2019 appears to be incorrect as 85 units were approved under the Outline planning permission and RM consent.

- b) With reference to number of units to be completed on your site - Please provide the anticipated completion of remaining units, by year. **To note - our monitoring year runs from 1st April – 31st March.**
